A&D Medical

Fast. Easy. Accurate.

PREMIER BLOOD PRESSURE MONITOR UA-1020

UA-1020, part of the World Class Monitor family.

3A TECHNOLOGY
Advanced cuff design
Advanced inflation
Advanced deflation

WORLD CLASS™ MONITOR

Clinically Validated for Accuracy

The UA-1020 Premier Blood Pressure Monitor improves upon all of the innovations A&D Medical has created over its 30+ year history. This fully featured monitor is equipped with innovations in cuff design, inflation and deflation (3A Technology). To speed up readings users can preset pressure levels or set them to automatic. The UA-1020 offers the option of TriCheck measurement which allows users to take three consecutive readings and receive an average, complying with the American Heart Association's latest recommendation.

A&D Medical looked at the common problems experienced when taking blood pressure readings and developed the UA-1020's Advanced Warning System. This system helps avoid problems letting users quickly get the most accurate readings possible.

- **TriCheck** – Three consecutive measurements and advanced averaging.
- **Pressure Rating Indicator** – Providing a snapshot of the user's blood pressure classification according to the US JNC7 and WHO guidelines.
- **Irregular Heartbeat Detection** – Alerts the user to the presence of an irregular heartbeat while still providing an accurate reading.
- **Advanced Warning System** – Alerts the user to the most common problems while monitoring, and helps users avoid them.
- **3A Technology** – Advanced cuff design, advanced inflation and advanced deflation, which translates to faster, more accurate and more comfortable readings.

5 YEAR WARRANTY in the U.S.A.

- TriCheck™ Measurement Feature
- 90 Memory Recall
- Clock, Time & Date Stamp
- Pressure Rating Indicator™
- Irregular Heartbeat Detection
- Adjustable Pressure Setting
- Advanced Warning System
- Carrying Case Included
- SlimFit™ Cuffs in Small, Medium or Large

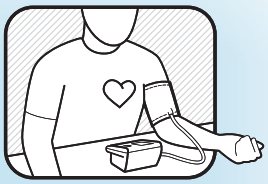
A&D Medical

UA-1020 Premier Blood Pressure Monitor

To obtain an accurate reading, it is important to use the correct cuff size. A cuff that is too large will produce a reading that is lower than the correct blood pressure; a cuff that is too small will produce a reading that is higher than the correct blood pressure. The UA-1020 Premier Blood Pressure Monitor works with many A&D Medical and LifeSource brand cuffs.

PART NUMBER	UPC NUMBER	ACCESSORY
UA-1020	0-93764-60287-0	Medium SlimFit Cuff 9.0"-14.6" (23-37cm)

Each unit comes with a trilingual instruction manual with log book, quick start card, storage case and 4 AA batteries.



Accessories

PART NUMBER	UPC NUMBER	ACCESSORY
UA-289	0-93764-60297-9	SlimFit Small Cuff 6.3"-9.4" (16-24cm)
UA-290	0-93764-60298-6	SlimFit Medium Cuff 9.0"-14.6" (23-37cm)
UA-291	0-93764-60299-3	SlimFit Large Cuff 12.2"-17.6" (31-45cm)
UA-392	0-93764-60300-6	SmoothFit Cuff 9.0"-14.6" (23-37cm)
TB:233	0-93764-60235-1	AC Power Adapter

Technical Specifications

Dimensions	5.5" (w) x 4.1" (l) x 2.4" (h) (140mm x 105mm x 60mm)
Weight	10.6 oz. (300g) without batteries
Display	Digital, 20/10-mm character height. Pressure/pulse displayed simultaneously
Memory	90 readings
Pressurization	Automatic, using micropump
Deflation	Constant air release valve system
Type	Oscillometric
Accuracy	Pressure: ±3 mmHg or ±2%, whichever is greater. Pulse: ±5%
Pressure Range	Pressure: 0 mmHg to 299 mmHg. Pulse: 40 pulses to 180 pulses
Power Source	4 type 'AA' (1.5 volt) alkaline batteries or 120V AC Adapter (TB:233)
Recommended Operating Environment	50°F to 100°F (10°C to 40°C). Less than 85% relative humidity
Recommended Storage Environment	-4°F to 140°F (-20°C to 60°C). Less than 95% relative humidity

Blood pressure measurements determined with this device are equivalent to those obtained by a trained observer using the cuff/stethoscope auscultation method within the limits prescribed by the American National Mediums Institute (ANSI/AAMI SP10) for electronic sphygmomanometers. Manufactured by an ISO 9000 and ISO 13485 registered company. Engineered in Japan. Made in China.

Packaging and Shipping Specifications

Selling Unit (Box)	Dimensions (L x W x H)	Weight	Individual Item Cube
UA-1020	7.1 x 4.0 x 8.5	1.97	0.14
Unit Case (10 units)	**W x D x H (inches)**	**WT (lb.)**	**Case Cube (cubic feet)**
UA-1020	21 x 15 x 9.5	21.5	1.73
